

2024 Solicitation Authorization

The written approval of a duly authorized representative of an ABA-member company is necessary before BusPAC may solicit the executive and administrative personnel of that company for contributions.

A corporation may not approve or authorize solicitations by more than one trade association political action committee for the same calendar year.

The company listed below hereby authorizes BusPAC, a political action committee affiliated with the American Bus Association, to solicit the company's executive and administrative personnel for contributions in calendar year 2024.
